Town Warrant

THE STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Kingston on Tuesday, the ninth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for Tarvia.

4. To see if the Town will vote to raise and appropriate the sum of \$302.20 and the State will contribute \$1,208.81 under the provision of the T. R. A. so-called.

5. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the use of the Town Health Officers and Board of Health due to the War emergency.

6. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

7. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and forty three.

GEORGE B. STEVENS,
VERNON LEWIS,
J. EDWARD STEVENS,
Selectmen of Kingston.

A true copy of Warrant. Attest:

GEORGE B. STEVENS,
VERNON LEWIS,
J. EDWARD STEVENS,
Selectmen of Kingston.

SYNOPSIS OF FOREST FIRE SERVICE STATE LAWS

Penalty for kindling a fire without a permit, \$200, or imprisonment not more than thirty days.

Penalty for kindling a fire wilfully, or in a careless or imprudent manner, \$500, or imprisonment not more than one year.

No person shall kindle a fire upon the land of another without permission from the owner, agent or caretaker thereof.

No persons shall kindle a fire or burn any material in or near woodlands, pasture, brush, sprout, waste or cut-over lands, except when the ground is covered with snow, without the written permission of the Forest Fire Warden or the presence of the warden or person designated to superintend such burning.

Any person, firm or corporation causing or kindling a fire without a permit, when a permit is required, and also any person, by whose negligence or the negligence of his agents any fire shall be caused, is liable to the town for all expenses incurred in attending or extinguishing such fire.

Incinerators conforming to law of same may be maintained at locations passed by the warden.

Said incinerator to have openings no larger than (4) four openings by (4) to the inch, with tight cover or cover of mesh as stated.

Permits for operation of same will be void in case of Ban declared by the Governor or the State Forester, as per Chapter 191, Sect. 34 of Public Laws.

Respectfully submitted,

ARTHUR P. TUCKER,

Warden, Kingston Dist.

Report of the Superintendent of Schools

February 1, 1943.

To the School Board and Citizens of Kingston:

It is with pleasure that I submit my first annual report as Superintendent of your Schools.

Although I have been working with your school for only two months, an endeavor will be made to present the usual interesting statistics for 1941-1942 as well as some of the activities of the present school year.

The citizens of Kingston are extremely fortunate in having such a fine school. They are also fortunate in that they have a faculty of experienced teachers—each member of which seems to be interested in promoting the welfare of each of her pupils. The only teacher who was new to Kingston this year is Miss Marion G. Flanders, a graduate of Keene Normal School, and who has had several years of successful teaching experience elsewhere—for the past seven years at Brentwood.

During my visits to the school, I find it well managed and neat, the pupils are well behaved, the lessons well prepared by the teachers and a general atmosphere of happiness and industry on the part of everyone. All pupils in the first and second grades have been equipped with the most modern of reading materials, replacing out-moded and worn books. The school is in good condition and is functioning efficiently. When during the oil crisis the Rationing Board refused to allow more oil it became necessary to convert the heating system from oil to coal. Because of the type of heating system in the school it was necessary to install a stoker. Concentrated effort on the part of the School Board resulted in the installation with the least possible delay.

School subject content is being effected in many ways by war conditions. Teachers are keeping the pupils well

informed of current activities through current events, encouraging them to purchase war stamps and bonds and making regular work as practical as possible by bringing into discussions up-to-date problems dealing with present conditions. The teachers have taken their additional part in the war effort by working on rationing programs. Teachers and pupils are to be commended for the extent to which the pupils have purchased stamps. The total amount invested in this manner since September 1942 is \$513.35—an average of about \$4.10 per pupil. During the Scrap Salvage Drive a total of 82,656 lbs. were sold. This averages 656 lbs. per pupil—from which a total amount of \$200 was realized.

The cost of text books and supplies is increasing. Shortages in materials are getting more noticeable. We must attempt to conserve on their use by steady effort to prevent any waste or abuse of materials.

An article in the January issue of the School Executive magazine states concisely and emphatically regarding Education after the war in Great Britain that, "of all the State's activities, education is the basic activity, because it conditions the future character of the entire community—in peacetime no temporary economic crisis should be permitted to have any effect at all upon educational services. In wartime the maintenance of these services at a level of high efficiency should have maximum priority." This thought should continue to prevail in our own country.

The Bakie School may be likened to the American School as a whole, as described in the following quotation from a recent United States Office of Education publication: "I do not consider it an overstatement to say that the United States owes much of its economical social and political power as a nation to the organization and efficiency of its education. Though the American School was born out of the basic needs of the country, it is now the result of continuous striving for improvement."

The greatest task before the American people is to win the war. To this end our utmost energy and our best thoughts are dedicated, but we must not be unmindful of the peace and world reconstruction which must follow. We are con-

fronted now with decisions that will determine the kind of citizens who will inherit this country of ours. We must keep constantly before us the fact that children cannot delay the growing-up process. "What they will be, they are now becoming."

The Kingston Parent Teachers' Association is taking its part in helping to maintain and improve the health of the children. The one activity of sponsoring such a well organized hot lunch program for such a large percentage of the enrollment would alone, more than justify its existence. The use of milk and other food, supplied in part by the Agricultural Marketing Administration, with the assistance of the P. T. A. and teachers makes a situation which is excellent.

Special mention should be made of the display of mounted birds and squirrels presented to the School by Mr. Andrew Christie, for which thanks are extended to Mr. Christie in behalf of the people of Kingston.

The following pupils had perfect attendance records last year:

Janet Barrett	Donald Kemp
Natalie Braley	Dona Kimball
Paul Cheney	Helen Leate
Herman Foster	Elden Nason
Allen George	Jesse Shaw
Janet Kemp	Robert Loatjes
Florence George	Esther Teague
Mary George	Helen Willey
Marion Josper	Richard Willey

The following pupils completed the work in the eighth grade June, 1942:

Robert Avery	Joan Larsen
Shirley Brown	Helen Leate
Muriel Cammett	Eileen Little
Bettie Corson	James Mahamy
George Eaton	Jesse Shaw
Florence George	Lawrence Stevens
Betty Larsen	Frederick Teague

Your attention is directed to attached reports of the school nurse, Mrs. Constance Cooper and the music teacher, Miss Jean Beaton, both of whom seem to be doing a good job at their respective duty of helping to maintain and improve the physical welfare of the children, and teaching some music appreciation and developing and bringing out whatever talents the children may have along those lines.

In conclusion, I wish to thank the members of the School Board, the teachers, and other citizens for their cooperation during my first two months of service, and I hope to carry on effectively the work of the schools in the future.

Respectfully submitted,

JONATHAN A. OSGOOD,

Superintendent of Schools.

Health Supervision

Of the 115 pupils examined during the school year 1941-1942, the following cases were found and treatment was given as indicated:

	No. Cases	No. Receiving Treatment	No. Corrections
Underweight	8	5	—
Defective Vision	4	1	3
Anaemia	2	2	—
Nervous Condition	3	3	—
Defective Teeth	65	—	65

Report on Music for Kingston

February 8, 1943.

To the Superintendent and School Board of Kingston, N. H., I hereby submit a report of activity in music for the year 1941-42 as well as this present year:

The time allotment for Kingston is one-half hour per week for each room.

There was about the usual number of non-singers admitted to grade one this year. This inability may be due in some cases to shyness or to the fact that during pre-school years the child has always sung on two or three low tones and is not aware that there are other tones in his voice. Occasionally the child has never tried to sing before and has not been encouraged to explore his singing voice. In the first and second grades the singing is mostly by rote. In the latter half of the year reading begins and is carried on along with rote singing. In the third and fourth grades note reading begins in earnest but rote singing is still carried on to a certain degree to maintain spontaneous singing, to provide a repertoire of songs from memory and for pure pleasure. Two part singing is introduced by means of rounds. Excellent new texts have been provided for this group this year. In the fifth and sixth grades singing is almost entirely by note except for a few patriotic and holiday songs. By this time the pupils are able to read interesting songs independently, two part singing is seriously studied. In the seventh and eighth grades all songs are read and a third part added.

The singing program has been much facilitated by the consolidated school and on the whole the program has been accelerated. The attitude toward singing at the Bakie School is to be admired and I hope I can do my part to maintain it.

In grades one and two there is a successful rhythm

band. Some folk dancing was learned and the listening program carried on by means of the phonograph and records.

I wish to extend my gratitude to the teachers of the Bakie School for their fine co-operation.

Respectfully submitted,

JEAN BEATON.
